

# The Smart Move

## Innovative tech startups solve for Asian customers from Singapore

### ACT Commodities

ACT is a global provider of market-based sustainability solutions for high-impact climate projects that generate carbon credits, energy efficiency projects and certificates, experts in renewable electricity and gas markets, renewable fuels, and emission allowances. In shaping environmental markets, ACT enables its partners to pursue sustainable futures and helps them meet their climate targets.

#### Why Singapore?

Setting in Singapore provides ACT opportunities to support organisations in APAC to achieve their sustainability goals

Singapore's position to become a carbon services and trading hub is ideal for ACT to establish and grow its regional presence

The Netherlands

Sustainability Solutions

### FieldBox

FieldBox.ai offers services enabling cost-efficient development, deployment, running and scaling of AI in industrial operations. With a combination of data science, software/IT and industrial engineering expertise, it manages end-to-end data projects to provide infrastructure capable of running AI for 24/7 operations worldwide.

#### Why Singapore?

FieldBox.ai seeks to leverage Singapore's growth potential, particularly in industrial verticals with key regional operations

France

Software

### SimilarWeb

Counting more than half of Fortune 100 companies amongst over 3,900 clients across 90 countries, NYSE-listed SimilarWeb is a digital intelligence platform that provides customers insights into the digital activity of customers, prospects, partners, and competition.

#### Why Singapore?

Its central geographic location within APAC and favourable economic considerations

SimilarWeb sees Singapore as a regional hub with a strong talent pool and attractive liveability factor

Israel

Software

### Weavr

Weavr is on a mission to eliminate the complexity of integrating financial services. Their Plug-and-Play solutions allow clients to seamlessly embed and deploy financial services within their own platforms, and reduce time to market to just 5 weeks. The company recently won the 'Leading Emerging Payments Organization' award at the 2022 Pay 360 awards.

#### Why Singapore?

The ability to develop strong partnerships with prominent digital businesses in Singapore aligns with Weavr's business development goals
