DISCLAIMER AND TERMS OF USE:

An investment into a GIP-select Fund is a decision made solely by the Applicant. While the GIP-select Funds are assessed on their investment and operational capabilities by EDB, the selection does not serve as an endorsement of any of these funds.

In addition, Applicants should note the following:

- Subject to Approval-in-Principal (AIP) being obtained, Applicants may invest in **any** of the funds on this list of GIP-select Funds. The Applicant's choice of GIP-select Funds would **not** be a factor for consideration by EDB in its assessment of applications.
- Applicants have to invest the full investment amount of S\$25 million within six months after obtaining AIP status and shall be allowed to apportion the investment amount into a maximum of up to two different GIP-select Funds.
- The principal of an Applicant's investment into a GIP-select Fund is not protected and the value of such investment may be reduced based on market conditions. An Applicant may suffer losses as a result of his/her investment into a GIP-select Fund.
- Please refer to the Terms & Conditions for Global Investor Programme in the GIP E-application Form (available on www.edb.gov.sg/gip) for further information on the Terms & Conditions applicable to all Applicants.
- The Applicant is advised to be familiar with any additional charges imposed by the individual GIP-select Fund Company before making an investment at their own responsibility.

The User acknowledges and agrees that EDB shall not be held responsible or liable in any way for any claims or losses (including, without limitation, damages for loss of profits, business interruption or loss of information) arising from consequences that may be incurred directly or indirectly to the User as result of:

- The GIP-select Fund's investment portfolio;
- The performance and profitability of the GIP-select Fund;
- Business, commercial or other risks that the GIP-select Fund is exposed to;
- Any reduction in the value of the User's investment in any GIP-select Fund (including a reduction in the principal of the User's investment in any GIP-select Fund);
- The User's investment in any GIP-select Fund; and
- Any other dealings and/or arrangements that the Applicant undertakes with the GIP-select Fund.
